

Kevin's Song

Verse 1

I've always had a song to share, always loved to sing
A song can reach inside your heart, see the joy that music brings
Some memories never die, and sometimes in my dreams
I see the joy in Kevin's eyes, the day I sang for him

Verse 2

We only met for an hour or so, I still recall the time
Lying in his favourite chair, I sat there by his side
Deep within his own small world with thoughts so far away
I held his hand and sang a song, tried to ease the pain

Chorus

But there's a light in his eyes if you would see
A smile to show he understands me
He wants to sing my song, his face turns as he tries
And a light, a light shines in his eyes

Verse 3

A song can make you happy, sometimes makes you cry
A song can help recall old times, calm the troubled mind
Something touched Kevin and for a while he thought of better days
I could see it in his eyes and the smile he gave

Chorus
